

STRAITON WIND FARMS. OPINION POLL

May 2013

There are five large scale wind farms currently under consideration within approximately five miles of Straiton village. All proposed turbines are approximately 115m to 149m high (377ft to 488ft high)
The number of turbines per proposed farm ranges from 17 to 26. According to the latest plans, the five proposed wind farms could contain 110 turbines in total.
We would like to know your opinion about these proposed wind farms.

QUESTION 1

Please tick or cross one box only

- A I SUPPORT all five proposed wind farms
- B I OPPOSE all five proposed wind farms
- C I SUPPORT some proposed wind farms and OPPOSE others
- D I DON'T KNOW
